Reading the ebook

The Libraries have access to ebooks across many different platforms. Most platforms allow you to read ebooks online or to download a copy to your computer. Below are instructions to read or download books on our two most popular ebook platforms, **ProQuest Ebook Central** and **EBSCOhost**. Reading online is the quickest and easiest way to access books, but downloading is best for offline access.

For more information and guidance on other ebook platforms, please see our in-depth [ebooks guide](#).

If you have any technical issues, try opening the books in another web browser or clearing your cache and cookies. If problem persists, report it via our [Technical Help form](#).
